Girlguiding UK: Changing the World is a project to celebrate the Girlguiding UK centenary. **DON'T BE A BULLY BE MY FRIEND** is one of 19 projects that Girlguiding UK and their partner organisations have put together to help you to make a difference and change the world.

Girlguiding UK and Kidscape want you to raise awareness about bullying and take direct action and say NO! to bullying. Once you've written what you liked and learnt on here, to change the world, tell other people about it to encourage them to say No! to bullying as well.

I pledge to say NO to bullying:

Name:..... Date:.....

DON'T BE A BULLY BE MY FRIEND

To get your badge and play a part in changing the world fill in these pages about what you have done to say NO! to bullying and be a good friend. Write what you liked and learnt from each activity, and draw a picture of what you did.
